Issues an addition to Rule 5 of the Rules for the admission of candidates to the Engineering School, Bangalore.

READ—

Government Order No. E. 13—Edn. 32-33-40, dated 20th June 1934, issuing revised rules for the admission of candidates to the School of Engineering, Bangalore.

2. Letter No. A. 3. 1598-189 of 33-34, dated 20th July 1934 from the Director of Public Instruction, requesting in the circumstances mentioned that the following clauses may be added to Rules 2 and 5 of the Rules for the admission of candidates to the School of Engineering, issued in the Government Order read above:—

Clause to Rule 2.—In selecting candidates to the several Courses in the Engineering School, preference may be shown as between the boys of the same community, to students, who have taken up the appropriate vocational subjects, in their high school courses, *e.g.*, Surveying and Mensuration for Civil Engineering Course, Electric Wiring and Fitting for Electrical Engineering Course, and Foundry and Pattern Making for Mechanical Engineering Course.

Clause to Rule 5.—In the event of sufficient number of candidates belonging to backward communities possessing the required qualifications, not forthcoming, the vacancies might be filled up by the admission of qualified Brahmin candidates.

ORDER No. E. 328—EDN. 40-34-3, DATED BANGALORE, THE 10TH AUGUST 1934.

The addition of the proposed clause to Rule 5 is approved. As regards the proposed clause to Rule 2, the question is reserved for consideration and orders will issue separately.

Approves of the Syllabuses for the Vernacular Lower Secondary Course, V and VI year classes.

READ—

Letter No. T_2-4464-2 of 32-33, dated 14th July 1934, from the Director of Public Instruction, stating that there is no separate curricula of studies for the V and VI year classes of Privileged Primary Schools, *i.e.*, Primary Schools permitted to present candidates for the Lower Secondary Examination, that portions that are generally done in the III and IV year primary classes are taught in the V and VI year classes with the result that there is no uniformity of teaching in such schools and that in order to remedy this defect, a Committee was appointed by the Local Examinations Board to draw a detailed curriculum of studies for these classes and requesting sanction to the syllabuses drawn up by the Committee and approved by the Local Examinations Board.

ORDER No. E. 347—EDN. 37-34-2, DATED BANGALORE, THE 15TH AUGUST 1934.
